FOREHEAD

The Third Lawang Sewu International Symposium (3rd-LEWIS) is an annual international symposium held by Universitas Muhammadiyah Semarang. This year, the symposium will take place online via Zoom on November 28, 2024, in Semarang, Central Java, Indonesia.

The 3rd LEWIS is intended to provide a forum for lecturers, professionals, researchers, and students to collaborate, explore opportunities, and exchange valuable insights to shape a sustainable future through cutting-edge innovations and dynamic discourses in technology.

Attendees, including lecturers, professionals, researchers, and students, are encouraged to participate in the 3rd LEWIS-MHS discussions covering multi-field studies such as AI for research, AI for clinical practice, and AI for the health education field. The 3rd LEWIS-EAS studies focused on engineering sciences, and the 3rd LEWIS-HUSO studies focused on humanities and social sciences are welcome. Submitted papers must meet criteria including originality, novelty, and not having been previously published, and must be written in English. The conference program will feature main speakers, invitees, and oral sessions.
